

Custom Class

The Noncredit Way to Take a Credit Class

Custom Class: Take credit classes without the worry of placement tests, prerequisites, exams, and grades for your personal enrichment. No grade or college credit is earned. Pay the credit in-county tuition rate and any course and material fees but not the consolidated fee (out-of-county and out-of-state fees apply). **Excludes:** art museum field trips, culinary, health care, MUSP applied music, and world language courses. Other classes not listed here may be ineligible.

Canvas and HCC email: Custom Class courses use Canvas and HCC email. You will receive an email with instructions to set up your student account, which will include how to access Canvas and your HCC email.

HCC Course Material Program: All students are included in the Slingshot program automatically and will receive all required items for their classes except for Zero Textbook Cost sections. All course material charges are covered in your tuition and fees by a \$23 per-credit-hour fee. Visit HowardCC.edu/CourseMaterials for more information about getting your materials or to opt out.

Registration: Custom Class registration opens two weeks after credit registration begins. Registration is on a first come, first served basis, and Custom Class is not eligible for waitlist. Students 16 or older may register for up to the equivalent of eight credits each term. Custom Classes follow the credit refund policy.
